

## Subject: Copyright Infringement Report

Dear [Platform Name/Support Team],

I hope this message finds you well.

I am writing to formally report a case of copyright infringement related to a project I developed. The project is titled "[Arduino Calculator]", and it is my original work, which I shared on [<https://www.youtube.com/@Harpal9313>] on [Date of Original Publication].

However, I have discovered that this project has been used or published without my permission on [Future Science Hub ] by [Harpal Makwana]. This unauthorized use violates my intellectual property rights.

Details of My Original Work:

Project Title: [Arduino Calculator]

Original URL/Link: [<https://www.youtube.com/@Harpal9313>]

[@Harpal9313](#)]

Date of Publication: [27-1-2025]

Details of the Infringing Content:

Date Discovered: [27-1-2025]

I kindly request that you take immediate action to remove the infringing content and prevent further misuse of my intellectual property. If you require any additional information or evidence to process this report, please do not hesitate to contact me.

Thank you for your attention to this matter. I appreciate your swift response in protecting intellectual property rights on your platform.

Sincerely,

Makwana Harpal
